ABOUT COACH ARIANNA COHEN

I have a four legged child named Skylar, I have a BA in English and Creative Writing, and I am a Property Manager by day; managing over 30 industrial and office buildings throughout the greater Milwaukee Area. I love to travel, spend time with friends, read, tag along with Coach Joel, Coach Erin, and 14-Black, watch a ton of volleyball, and meticulously curate my Sting Instagram account (give @MkeSting16Black_2025 and @CoachArii2025 a follow). I love this club and I love this program!

COACHING PHLOSOPHY

My teams are my family, and the Sting Family is important to me. I believe in growing the full athlete and helping kids succeed on and off the court. I want you to love being in the gym, love your training, and love your teammates.
