ABOUT COACH BOB CZAJKA

I am married to my wife Ann. We have four girls, Caydee 22, Maggie 16, Alli 15 and Charlie 13. We have two German shorthair pointers, Gus and Auggie, at home that keep us busy when we are not in a gym supporting our kids. When I do have free time, I enjoy getting away to our cabin in Armstrong Creek. Ann and I ran the Brookfield East Jr. Spartans feeder program for 5 years, I have been coaching different levels of volleyball for 10 years and I am currently the JV2 coach at Brookfield East.

COACHING PHILOSOPHY

I am an aggressive supportive coach. I will challenge you to try new roles, plays or drills with the express goal of helping you become comfortable in uncomfortable situations on the court. I believe we learn best when we make mistakes and have supportive people around to help us correct us. I believe in holding you accountable to yourself and your team and I truly believe in celebrating the team. I do not tolerate bullying of any kind. I talk a lot on the sidelines during matches, guiding you on individual corrections or celebrate and validate big changes you have made during the season. By the end of the season my goal for each player to understand how to be a good teammate, grow as a player and has an increased passion for the sport.

COACHING HISTORY

- I have been coaching multiple levels of volleyball for the past 10 years.
- **Currently:** Brookfield East JV2 Coach
- 6th year coaching at Milwaukee Sting Volleyball Club
