BUMBLEBEES HEAD COACH

ABOUT COACH CAROLINE RILEY

I am married with a 1 year old son, Patrick. I am an Advanced Analytics Manager with Molson Coors. I have my Bachelors in Economics from the University of Wisconsin- Madison. I love to spend time with my family, play grass volleyball, and board games in my free time!

COACHING PHILOSOPHY

I center my coaching philosophy on “yellow language” how can we complete our goals rather than riding emotional highs and lows. I am always looking to move forward and get better together.
