FUN FACTS ABOUT MIKE KOPESKY

I once touched a sunken boat 40 feet down while snorkeling.
I once hit a full court basketball shot in a basketball game my senior year and was on ESPN.

COACHING HISTORY

- 26 years boys high school
- A few years coaching club

PLAYING EXPERIENCE

- Played for the last WI D1 program (UW Milwaukee) back in the 1900's.

FAVORITE VOLLEYBALL MOMENTS

- Having a migraine at Nationals in the final match of our 2024 season and my boys playing harder than I have ever seen them play because they knew we had to win in two. Love that 14-2's team!
