ABOUT COACH TAYLOR FISCHER

I am married and currently live in Cedarburg, WI. I graduated from Concordia University Wisconsin; and am an Illustrator and Graphic Designer for Fox Hammer Media, based in Port Washington, Wisconsin. I create illustrations for major league sports teams that post to their social media pages! My husband and I are pretty big Disney nerds! I love being with my family & friends, & wheeling up north, cheering the Packers & Brewers on, or chilling on the beach! :)

COACHING PHILOSOPHY

To teach girls the essential volleyball fundamentals from the start of their careers, focusing on building a strong foundation with the correct techniques and mechanics. It's crucial to emphasize not only technical skills but also the importance of being an excellent teammate. Coaching each player to support their teammates and embrace their specific roles with positivity is vital. Additionally, exposing each girl to all positions at an early age allows for comprehensive development, fostering confidence and enhancing their future success.
