ABOUT COACH DAVID GALEWSKI

I am married to my wife Tracy and together we have two children, Natalie (12) and Kami (8), along with a French Brittany named Milo. I have a BA in Speech Communication with a minor in Psychology from UW Whitewater. Tracy and I are also the directors of Mukwonago Jrs Volleyball (5th-8th). Outside of volleyball I enjoy camping with our family at our place up north, hunting, fishing and just spending time with family and friends. My full time role is the Aftermarket Technical and Training Manager at Clarios in Glendale.

COACHING PHILOSOPHY

My coaching philosophy centers around providing a positive environment to promote physical and mental growth for all athletes. I love breaking down fundamentals and focusing on the growth of skills not necessarily the immediate outcome, believing the outcomes will happen as skills grow and as athletes focus on performing the skills the right way. My approach emphasizes players being coachable, giving not just physical effort, but mental effort and being good teammates. By emphasizing these areas we can focus on continually improving, having a great team atmosphere and competing. I enjoy the process and watching youth grow through that process.

PLAYING EXPERIENCE

- I played volleyball in high school at Waukesha North from 1994-1997.

COACHING HISTORY

- **2022-Present:** Director and Coach at Mukwonago Jrs.
- **2003-2016:** Head Coach at Milwaukee Sting Volleyball Club
 - Returned in 2023.
